SUFFOLK HIGH SCHOOL Suffolk, Virginia

Co-Editors Helen West Carol Brinkley Business Manager Becky Debnam Advisor Mrs. P. M. Burton

Foreword

"To everything there is a season, and a time to every purpose under the heavens."

It is with this thought that we recall our life at Suffolk High School—moments of laughter, of love, of learning, of sorrow, and of friendship. All these and a thousand other memories are forever etched in our hearts.

The years given to us at Suffolk High School are not to spend but to invest. A thousand experiences and thoughts come and go without our knowing their importance. We have tried to capture in this, the forty - second volume of the Peanut, some of the memories that have helped to make 1964 a year that will live in our hearts forever.

To every thing there is a season, and a time to every purpose under heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to langer, a time to mourn a

a time to dance;

tune to cast away stones, and a time to called stones getties a time to embrace, and a time to refrain from embrace.

A time to pet) and a time to lost a time to long and a time to east away:

A time to rend, and a time to sew; a time to keep slience, and a time to speak;

A time of love, and a life to hate; a time of war, and a time of peace.

What profit hath he that worketh in that wherein he laboureth?

I have seen the travail, which hath given to the sons of men to be exercised in it.

He hath made everything beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.

ONE who has joined in our moments of laughter and grieved in our moments of sorrow ...

With pride, we dedicate this, the forty-second volume of the Peanut, as a token of our appreciation and devotion for our guidance counselor, Miss Marguerite Bell.

In Memoriam

MR. WILBERT JAMES CROCKER

DIED MAY 22, 1963

FOR THIRTY-FIVE YEARS, OUR FAITHFUL
AND DEVOTED TEACHER OF SCIENCE

"Yet he was kind, or, if severe in aught, The love he bore to learning was in fault;"

Spirit of S.H.S.

"Stomp the Comets" is exactly what these two school-spirited students are about to do!

The entrance of S.H.S. has taken on a new look this year with the addition of a shiny red and white mat.

Even between classes our school spirit is apparent.

"Rip 'em up, tear 'em up, give 'em heck, Raiders," is the spirited yell of our enthusiastic rooters as they cheer the Raiders on to another victory.

Always, wherever Suffolk High School graduates go they recall with great affection their high school alma mater. This feeling of loyalty and affection is generated by the "esprit de corps", of S.H.S. It is present everywhere — in the sports field, the classrooms, the halls. Whenever the Suffolk High students assemble, the fine spirit is evident to all who are present. Only in a school, such as Suffolk High School, where courage, the determination to excel, the ability to lose gracefully are valued virtues, can such fine spirit exist.

"On the scene-off the scene" Our pep band is always there when needed!

Inspecting the filmstrips is just one of the many tasks performed expertly by Mr. Furr in connection with the audio-visual program.

Mrs. Dixon, our librarian, is never too busy to help one find information or to suggest a good book.

Behind the Scenes

Mrs. Duke, Mrs. Hughes, and Mrs. Watkins efficiently plan another tempting meal to be served in the cafeteria.

Mr. Jack Jones, the Buildings and Grounds Superintendent, is always ready to lend a helping hand.

We have Moody, Tom, and John to thank for the clean, attractive appearance of our school.

Ways And Means

The Student Senate is the backbone of all School functions, through which the students themselves exercise rights of self-government and strive always for the achievement of a better Suffolk High School. Under the leadership of Robert Blair and Donnie Goldberg, this year the S.C.A. has set aims that are high. The S.C.A. may take pride in its many accomplishments.

The Ways and Means, a branch of the Student Senate, works closely with the Student Senate in carrying out the business of the S.C.A.

The National Honor Society, composed of all students with a 90 or above average, has continued to promote service, leader-ship, character, and scholarship in the school. An induction assembly was presented to the stu-dent body. Scholarship Day was proclaimed by the club, and personal letters with identifying tags for honor roll students were used to encourage a stronger interest in scholarship. Posters encouraging better study habits were placed in the halls. To make money for a scholarship fund, the Honor Society maintained a cloak room at basketball games. A social was held for all honor roll students after the first semester examinations. With June finally here, and new officers elected, the club concluded its activities for school year 1963-1964.

The Gladys Yates Tri-Hi-Y Club began the year by sending its members to the sub-district meeting in Franklin. Soon the girls were spending all their spare time preparing to meet each other in a Powder Puff football game, the club's first fund-raising project. During the fall, club members asked the blessing in the cafeteria for two weeks. In November, representatives attended the District Conference, held this year at Granby High School.

French Club

Clubs

In order to promote a more active interest in the Latin language, the Latin Society has this year undertaken various projects. One of these projects was the celebration of Latin Week in the spring. Other projects included donating books to the library and records to the Language department. Ending the year, the society participated in a successful language club banquet.

The main purpose of the Spanish Club is to interpret the feeling and habits of the Pan-American countries to the Spanish-speaking students. With the able sponsor we have this year, the club has done and learned much. Collecting toys for a needy family was one of the many projects engaged in. Later in the year the club held a banquet in which all three language clubs participated.

For the first time since its formation three years ago, the French Club permitted eighth graders to become members. These new members have added much enthusiasm to the club. In the interest of promoting knowledge of French culture, the club has written to France requesting French pen pals. For a service project at Christmas, the club collected canned food and toys for a family chosen by the Welfare Department. Also at Christmas a party was held in the cafeteria. The French Club enjoyed playing Password in French and seeing the French version of Goldilocks. This year the French Club has tried to make Suffolk High School more aware of the French influence on American youth.

The club also enjoyed the instructions on make-up presented by Mrs. J. C. Webb. Spring plans included attending the one-act play feetival.

This experience strengthened their belief that teaching is a responsible but rewarding career. The girls acted as guides at the District R. Teachers Conference held at Suffolk High School in October. In

November, delegates were sent to the State F.T.A. Convention in Richmond. As a money making project the club sold toothbrushes

in December.

1963 Football Team

The beginning of each year brings to Suffolk High School the excitement of a new football season. This year our boys worked long and hard, even though weakened by injuries. We can be proud of the spirit that drove our team to play best when the going was roughest. With David Sweat as captain, the Raiders, supported enthusiastically by the student body, gave fine performances in every game. The 1963 football season closed with a Peanut Bowl victory over Virginia Beach. Fine sportsmanship, ability, and spirit made the past football season one to be remembered with pride.

At last the day of the Peanut Bowl—the climax of the football season—arrived. No one was more excited than Queen Ann Parker and her princesses, Muff Birdsong and Brenda Darden, who were elected by the football squad to reign over this event. The Queen and her court attended a banquet and reigned over the Peanut Bowl Parade during the day. At night Queen Ann was crowned in a ceremony just before the game. She and her court viewed the game from a special platform. The victory, dance at the Birdsong Recreation Center climaxed the eighteenth annual Peanut Bowl.

The big moment finally arrives. Queen Ann is crowned by Lieutenant Governor Mills E. Godwin.

Varsity Cheerleaders

"We're the Champs!" is the familiar cry of our Varsity cheerleaders as they urge the mighty Raiders on to another victory. These ten active, vivacious girls have worked hard during the summer and all through the year to build up the spirit in our school and within the teams. Whether it's entertaining the students in pep rallies, painting signs after school, or spending long hard hours practicing, these girls always exemplify the true spirit of a Suffolk High School student.

A familiar sight after school — the cheerleaders believe that practice makes perfect.

Coach Peachy lays down the line of strategy.

This year the varsity basketball squad displayed fine team co-operation and enthusiasm throughout the 1963-1964 season. Led by captain Ben Womble, the team played a difficult schedule with untiring effort. A transfer student, Bobby Holliday, strengthened the squad by his skillful shooting. Expertly coached by Mr. Bill Peachy, the boys completed a successful season.

The Red Raider baseball season was executed with excellent team spirit and desire to win. Under the leadership of Andy Dunn and Ben Womble, the team produced a very exciting and successful season. With Mr. Watkins as their faithful coach, the boys made every effort toward victory. The will to work and the desire to win inspired these boys to practice faithfully each day. Whether in defeat or victory, the Suffolk High students have a team to be proud of.

1963 Track

I made it!

It's a race to the finish.

The 1963 Track Team was fortunate in having as their coach this past season, Mr. Dallas Hollingsworth, a very capable and experienced coach. The boys devoted much of their time and effort to many long and hard practices. Once again for the second year, Billy Hill and Jimmy Hill did an excellent job as co-cap-

tains. As long as the boys continue to exhibit such great spirit and enthusiasm that marked this past season's performance as, Suffolk High School will always have a team to be proud of. Billy Hill was elected the most valuable player. Two boys succeeded in breaking previous track records.
